Sept. 19, 1994. John Lattimer would like to see a copy of Milam's manuscript about Thorburn. Could you please ask Milam to send him one: at Dept. of Urology, College of Physicians & Surgeons, Columbia University, 630 West 168th Street, NYC 10032. Thank you. Lattimer says "nitpicker" Milam "does not do any original experimentation himself, so far as I can tell."

I would like to see your lengthy commentary on what you say is so essential in Posner, the work of Lattimer on "supposedly" the Thorburn position.

Walter is back from Germany and I have shared your recent communiques with him; he, too, remains keen on the subject.
